

SOLUTION PARTNERS

Created Exclusively
for Our Valued
FNF Family Agents

This Fidelity National Financial Solution Partners listing was created exclusively for you, our valued agents. The listing features products and services that can help agents attain compliance, expand their business, obtain new customers, and save time and money. All Solution Partners offer FNF Family Agents preferred pricing. Below is some information about these companies, in their own words, to help you independently evaluate them and, if you wish, to contact them. If you have questions about any of our partners or their products and services, please contact them directly. To learn more about the FNF Solution Partners Program, visit our Solution Partners website at solutionpartners.fnf.com.

AGENTBRIEF

AgentBrief empowers title reps to act at the perfect moment. Built by title pros for title pros, our real-time alert platform shows you when agent relationships are heating up—so you can reach out first. Using our F-A-M-E framework—Find, Analyze, Message, Engage—AgentBrief monitors market activity 24/7, alerting you instantly to new opportunities and guiding timely, personal outreach. We don't replace relationships—we strengthen them through smarter timing, sharper focus, and confident, well-timed engagement.

BANC SERV

BANC SERV's mobile notary service offers a convenient alternative for getting real estate documents signed.

- Qualified agents go directly to an individual's home or workplace to obtain signatures.
- Experienced notaries and attorneys can handle signing requirements of all kinds.*
- Agents are pre-screened, tested, monitored and rated based on their performance.

**Attorneys are required to conduct closings in CT, DE, GA, MA, SC, and WV.*

Contact Info: 800.721.5558
customer.service@bancserv.net
bancserv.net

BANK SHOT

Bank Shot is the patented mobile solution that allows title companies and escrow agents to remotely receive and control earnest money (or any check) directly from a smartphone.

- Hold, deposit, or refuse the check in the portal. You are in control using our unique "stoplight" process.
- Remotely deposit checks in multiple accounts at multiple banks.
- This is not ACH - it's a mobile deposit. It's secure, compliant, and safer than a wire.
- Spend less time matching checks to transactions and reconciling accounts.
