## Closing Services: Service Provider Transaction Fee Structure

RealEC® Technologies' **Closing Insight™** solution offers a collaborative closing service for a more efficient communication process between lenders and settlement agents to produce final closing costs and settlement statements.

Service Provider transaction fees for Title and Closing orders using the **Exchange™** technology, the foundation for Closing Insight, will be updated on August 1, 2015 and based on the following criteria:

Service Provider Technology Delivery Fees			
	Orders From Exchange and Closing Insight Lenders		Orders From Exchange-only Lenders
	Lender-selected Service Provider Service Provider on written Settlement Service Provider List.	Borrower-selected Service Provider Borrower exercised opportunity to shop for their own provider.	All transactions using the Exchange without a Closing Insight license
Title <sup>1</sup>	\$15	– \$0 –	\$15
Closing <sup>1</sup>	\$10	– \$0 –	\$10
Signing Appointment Services <sup>1</sup>	\$2	– \$0 –	\$2
ePolicy <sup>2</sup>	\$2	– \$0 –	\$2
Closing Insight Collaboration <sup>3</sup>	– \$0 –	– \$0 –	n/a

1. Title, Closing and Signing Appointment Services fees will be charged on open orders. Orders cancelled within 24 hours from order placement will have no charge.

2. ePolicy fees will be charged upon delivery of the ePolicy by the Service Provider.

3. Lenders who license Closing Insight cover all fees related to the collaboration process for the Closing Disclosure. Service Providers that would like to leverage Closing Insight for collaboration with a non-licensed lender should contact RealEC Sales for additional information.
