

Coalition Active Cyber Insurance

Protect your business from digital risk

Coalition pioneered Active Insurance to address digital risk in ways traditional insurance can't, bringing together proactive cybersecurity and comprehensive coverage to help you prevent and recover from cyber threats.

WHO WE ARE

The largest cyber insurance provider in North America¹

100,000+ policyholders worldwide depend on Active Cyber Insurance to safeguard their operations, data, and reputation. Our scale means stability, practical insights, and innovative solutions to help you stay resilient.

73% fewer claims

Coalition vs. industry average²

HOW WE STAY AHEAD OF RISK

Preventative cyber risk management

Our security experts continuously monitor threats, keeping you informed about vulnerabilities as they emerge. Coalition Control[®], our unified risk management platform, makes it easy to address cyber risks before they turn into incidents.

85,000+

Security alerts sent in 2024²

1. Based on total U.S. gross written premium written by Coalition in 2023 compared to NAIC and publicly disclosed carrier data.

2. Coalition 2025 Cyber Claims Report

**PROTECTION AND RECOVERY WITH COALITION****Comprehensive coverage, built for modern businesses**

Our coverage is designed to help you recover from a wide range of cyber threats, including funds transfer fraud and ransomware. We pay breach response costs, ransom payments, and more on your behalf and offer additional insurance benefits for clients with strong security posture.³

**THE SUPPORT YOU NEED****A collaborative partner throughout the policy period**

Cyber incidents are disruptive enough. Coalition's expert claims and incident response teams are available 24/7 to help you solve problems quickly and recover faster.

**\$450M+**
