

# PalmAgent: The #1 Sales Tool in Real Estate

Elevate your business with PalmAgent, the industry's leading net sheet & closing costs app, trusted by title companies nationwide to empower their agents and drive more closings. With plans starting at just \$250/month, PalmAgent delivers unmatched value and functionality.

## Why PalmAgent?

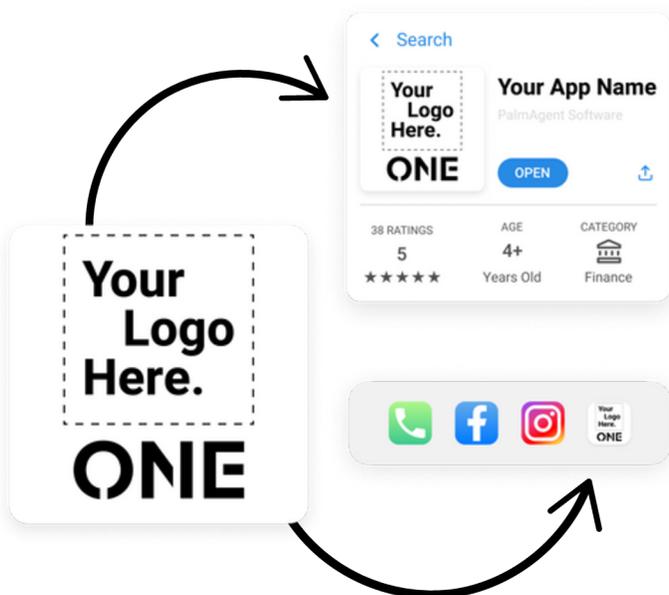

- **Customizable Solutions:** Fully branded for your company, the app features your logo, offices, fees, and more—ensuring a seamless and professional co-branded experience.
- **Unlimited Agent Access:** Equip your agents and loan officers with the tools they need to close deals efficiently and confidently.
- **Effortless Onboarding:** With no upfront costs or onboarding fees, your first invoice aligns with your app going live.

## Transformative Features

- **Streamlined Management:** Features like account deactivation and renewal periods give you full control ensuring seamless alignment with your business needs.
- **Advanced Dashboard:** Gain insights into agent activity, track usage, and identify opportunities to grow your relationships and revenue.
- **Comprehensive Support:** Your team and clients will receive expert assistance through phone, email, and live chat from our dedicated app experts, ensuring you're supported at every step.

## Marketing Made Easy

- **Co-Branding:** Strengthen relationships with your realtors by co-branding marketing materials to maximize engagement.
- **Ready-Made Materials:** Launch the app with professionally designed flyers, digital assets, videos, and email templates tailored to your business.
- **Time & Cost Savings:** Eliminate the need to create marketing content from scratch, saving your team valuable resources and focusing on driving results.
- **Seamless Promotion:** With everything provided upfront, you'll be ready to promote the app efficiently and effectively from day one.
