

KnowBe4 Security Awareness Training Standing Offer For FNTG

KnowBe4 is the world's largest security awareness training and simulated phishing platform, proven effective in helping organizations manage the ongoing problem of social engineering and reducing vulnerabilities to ransomware, malware, and other data breaches.

The KnowBe4 platform is user-friendly and intuitive. It was built to scale for busy IT pros that have multiple fires to put out. Our goal was to design the most powerful, yet easy-to-use platform available.

Customers of all sizes can get the KnowBe4 platform deployed into production extremely fast. Our Customer Success team gets you going in no time, without the need for consulting hours.

To ensure all members of FNTG receive the best pricing on our New School Security Awareness and Phishing platform, we are providing a set discount via a Standing Offer. FNTG members will receive a 25% discount on all of our subscription levels.

Our 3-year subscription has a built-in discount of 20%. FNTG members opting for a 3-year subscription will receive the multi-year discount of 20% on top of the 25% discount.

All security awareness training subscription levels include the following basic services. (Advanced features and additional training resources increase with each subscription tier.)

- Admin Management Console
- Kevin Mitnick Security Awareness Training (40 Minutes)
- Kevin Mitnick Security Awareness Training (25 Minutes)
- Kevin Mitnick Security Awareness Training (15 Minutes)
- Unlimited Training Campaigns
- Unlimited Phishing Security Tests
- Over 900 Phishing email templates
- Ability to customize provided Phishing email templates, or create new templates
- Phishing Reply Tracking

Training Modules

A list and overview of training modules and additional resources can be viewed at <https://www.knowbe4.com/knowbe4-training-modules-overview/>. (Click on 'down arrow' to the left of each title to view additional information on content and included resources. Because our library is constantly being updated, FNTG members desiring to see a real-time view of the full library and content may request access to our Module Store [ModStore] Training Preview.)

PhishER (Optional add-on)

<https://www.knowbe4.com/products/phisher>

PhishER is your lightweight Security Orchestration, Automation and Response (SOAR) platform to orchestrate your threat response and manage the high volume of potentially malicious email messages reported by your users. And, with automatic prioritization of emails, PhishER helps your InfoSec and Security Operations team cut through the inbox noise and respond to the most dangerous threats more quickly.

All eligible FNTG members MUST ask for the FNTG Standing Offer prior to purchasing. The FNTG discount will not be refunded post-sale, nor applied to existing accounts of current KnowBe4 customers.

This Standing Offer for FNTG members runs through February 29th, 2020.
