

Pavaso's technology empowers you to complete the **ENTIRE** closing digitally and remotely, **TODAY!**

Our powerful remote online notarization tool

electronically notarizes* documents, where the signer uses an electronic signature and appears before the eNotary using two-way audio-video technology from a different physical location than the eNotary.

Pavaso®, a leader in digital mortgage transformation, empowers you to deliver fully digital and hybrid eClosings through one secure collaborative platform that streamlines the entire closing process.

BENEFITS:

- Your state-commissioned eNotaries can perform remote online notarizations
- Settlement agents maintain control of the transaction by conducting the signing or when they choose to use a signing agency, can join as an observer to answer questions
- Provides a solution for individual(s) who are not able to attend in person
- Gives all permissible parties in the transaction online access to a recording of the completed digital signing and notarizations
