

JUST BETTER CLOSINGS

As a leader in the real estate digital closing transformation, Pavaso® empowers title companies and real estate attorneys to deliver fully digital and hybrid eClosings through one secure collaborative platform that streamlines the entire closing process.

A DIGITAL CLOSING

- Gain process improvements throughout pre-closing, closing and post-closing:
 - reduce errors and trailing documents
 - complete real estate closings in as little as 15 minutes
 - deliver wet-signed documents faster to permissible parties
 - reduce repetitive tasks with automation
- Customers have the ability to review closing documents and information ahead of the settlement, anytime, anywhere
- Facilitate real estate loan closings and cash closings
- Standardize your closings experience, with safeguards to ensure all digital signatures are captured

ROBUST CAPABILITIES

- eDelivery | eSign | eNotary* | RON* | eClose | eNote | eVault
- Each closing has its own audit log to track actions performed
- Auto-generated email notifications provide status updates throughout the transaction
- Secure document delivery and communication features can eliminate the need for email exchanges
- Designed to follow E-SIGN, UETA and MISMO standards

Connects all permissible parties on one secure platform

.....

Exchange information and documents, communicate and collaborate in real-time, throughout the entire closing process.

STONE AGE PROCESS

Cumbersome, disconnected, labor-intensive, costly, overwhelming and time-consuming with potential for human error.

PAVASO, SIMPLY BETTER

Fast, modern and convenient. One secure, collaborative portal for Lenders, Title and Customers.

AN OUTSTANDING CLOSING EXPERIENCE WITH PAVASO

> eClosing Technology
